Fall Season. 1882

EUGENE MEYER & CO.

Take pleasure in announcing to their many patrons, and the public in general, that their Fall Importations have arrived, and are now ready for inspection.

Mens', Youths' and Boys' Clothing Department

The distinguishing feature of our really grand display of Readymade Garments for Mens', Youths' and Boys' Wear, consists in the fact that the material used is of the very best the looms of the very best the loo Foreign and Domestic Manufacturers can bring forth. Linings and Trimmings being first-class, correspond in texture, as well as fabric, with the material of the garment. As to the cut and fit, the garments are indeed an eminent success, and elicit highly flattering criticisms from all sides. Through untiring efforts we have JOHN MANSFIELD. succeeded in securing an assortment of CHILDREN'S SUITS and OVERCOATS which will meet the appreciation of our patrons, being, in all respects, the most complete and most choice assortment displayed by any house on the Pacific Coast.

HAT DEPARTMENT.

In the line of Hats we show all the Latest Styles and most celebrated makes of Soft and Stiff Finished Goods.

GENTS' FURNISHING GOODS DEPARTMENT.

In this department we introduce this season a better and finer class of Underwear and Hosiery than ever before offered in this market, while our superior make of White and Fancy Shirts, aided by a mammoth stock to select from, will sustain its enviable reputation as "The Best in the Land." In Neckties, Scarfs and Dress Cravats the selection is brilliant. In Linen Collars and Cuffs we offer none but approved makes of fashionable designs.

Our Grand Show Windows will display a few of the Leading Styles, and it will be worth your while to pause for a moment in front of the "Clothing Window."
